

Building Healthier Communities!

May 12, 2004

Let us help you build a healthier community!

Register today for the Capacity Development Meeting at The Medical Mall in Jackson, Mississippi.

This meeting is coordinated in efforts with the Office of Health Disparity, Mississippi Department of Health, the Delta Region AIDS Education and Training Center and the University of Mississippi Medical Center.

Building Healthier Communities is a Capacity Development Meeting series brought to you by the Office of Minority Health Resource Center.
